Subject: INCIDENT REPORT: Racial Disturbance in the Security Housing Unit. Black and White Inmates Involved:

BLACKS:

WHITES:

A-88401 PINELL

SUMMARY: On February 9, 1981 at approximately 11:30 a.m., a racial disturbance was in progress, and lasted throughout the Third and First Watches until approximately 6:30 a.m., 2-10-81. The entire First Floor, South Tier was flooded and the Black and White inmates were yelling racial slurs and participating in general noise-making. It is noted that the White inmates apparently banded together, to keep the Black inmates from sleeping. The entire incident seemed to be strictly racially motivated.

ACTION TAKEN: All inmates involved were issued CDC-115's charging them with violations of DR-3005b: CONDUCT; FORCE & VIOLENCE.

On February 17, 1981, all involved inmates appeared before the Institution Disciplinary Committee and at that time, were found Guilty. Subjects received ten (10) days Confinement to Quarters, credit with time served.

This matter is now closed unless circumstances arise which deem it otherwise.

On February 9, 1981 at approximately 11:30 p.m., when reporting for duty in the Security Housing Unit, it was explained to me by Correctional [REDACTED], Third Watch SHU Sgt., that the entire First floor, South Tier was flooded and that racial obscenities were being yelled by Black and White inmates throughout the Watch. These racial slurs, banging on the bars, whistling and general noise-making continued through the morning and ceased about 6:30 a.m., 2-10-81. The White inmates involved in this incident, seemed to have banded together in a concentrated effort to keep the Black inmates from sleeping. The agitation and hostilities invoked by the White inmates in this incident seem to be strictly racially motivated.
